## Professional Summary

Assistant Editor and post production professional passionate about shaping stories through the edit. Experienced across trailers, mini-documentaries, and branded content, I bring a strong understanding of narrative structure and pacing. My on-set experience complements my post-production work, giving me insight into how every creative decision from camera setup to final color serves the story.

## Work Experience

### First Ascent Design

*Account Executive*

March 2023 - July 2025

*Video Producer/Editor*

July 2025 - Present

- Plan and produce multicam interviews, mini documentaries, event recap videos, and ad videos
- Edit short form videos for youtube channels, social media, using non linear video editing and motion graphics tools such as Adobe Premiere Pro and Adobe After Effects for basic assembly.
- Ensure color correction and color grading for all fine cuts using both Davinci Resolve and Lumetri

### NEVER SEEN AGAIN (Season 2) • Paramount+ • Efran Films

*Set Production Assistant*

May 2022

- Responsible for setting up production equipment around various sets
- Coordinated on-set needs, such as stocking crafty stations and preparing talent for filming.

### REASONABLE DOUBT (Season 5) • HBO MAX/Discovery Plus • Painless Productions

*Set Production Assistant*

February 2022 – May 2022

- Transported and set up production equipment across different locations
- Facilitated crew operations, handling emergency rentals, lunch orders, and other set necessities.
- Assisted 1st Camera Operator while gathering B-Roll from surrounding areas

### The Tour Guy

*Digital Marketing Intern*

Jan. 2019 - June 2019

- Captured and edited visual content to support digital marketing campaigns.
- Produced short-form video content for social media engagement.
